Meet Our Award Winning DJ Sean Anthony

Voted Best of Georgia in 2022, 2023, and 2024 by the Georgia Business Journal, Sean is an accomplished DJ with countless other awards to his name. With a lifelong passion for entertainment, Sean has been in the industry since he was a kid, inspired by his dad who owned a DJ company. This early exposure sparked his love for being on stage and shaped his career.

Sean performs roughly 50 weddings per year and loves every moment of it. Music and lighting are his passions, and he feels fortunate to do what he loves for a living. His personal music tastes include 90s country and pop, 00s and 10s hip hop, and 2000s alternative, but he is fluent in everything from the 1960s to today. He also has a background in several Latin genres, which he incorporates to keep the dance floor lively.

Sean's favorite part of a wedding is the grand entrance. He thrives on big, fun entrances that set the tone for an unforgettable night. While he won't be on the mic for every song, his announcements are professional yet fun, and he knows how to hype the crowd. He lets his song selection do the work, keeping the dance floor full with the perfect mix for every guest.

Beyond music, Sean specializes in interactive games and activities that engage guests and make each wedding unique. From anniversary dances, the shoe game, photo dash, and scavenger chairs to Latin-inspired games like Víbora de la Mar and more, he brings creativity and energy that keeps guests entertained all night. Always seeking innovative ideas, Sean strives to elevate every celebration into a truly memorable experience.

Testimonials

Stacy DeGolier

No vendor got back to us as quickly as Sean did every single time we reached out. We got everything we asked for and so much more. He really went above and beyond to make our day special. So many of our guests

commented that, "He was the best DJ they had ever seen at a wedding ever." I would hire Sean again in a heartbeat for any event. Do yourself a favor, stop looking, and just book him. You will not regret it.

Testimonials

Ashley Adams

Sean was the absolute BEST we could have asked for at our wedding reception. The rain almost got the best of us, but it was a fabulous time! Sean kept the music going, and had a sweet Photo Booth setup - totally a must have! Would 100% recommend Sean with North Georgia Weddings and Events!
